Said the moon was ours
Yeah
Said the moon was ours
The hell with the day
The sunlight is always
Gonna take love away
Brings up suspicions
And alibies
But I can see blue
Tear-blinded eyes
Lies, lies, lies
Ohh, lies

I got a stone
Where my heart should be
I got a stone
Where my heart should be
And nothing I do
Will make you love me

I'd leave this time
Break all my ties
Be no more
Use for any disguise
Lies, lies, lies
Ohh, lies

I wanna die
Without pain
I wanna die
Oh, without pain
All this deception
I just can't maintain
The sun, moon
The stars in the sky
It'd hurt me too bad
If you said goodbye
Lies, lies, lies
Ohh, lies
