You hold on to love that's gone
Run a mile to see him smile
But you don't know he's door to door
Playin' you for the fool

Let him go
Walk out your door
And come to me
I'm gonna set you free

Now you know, there you go
Back to him, he's gonna do you in
Tear you down and run you 'round
Treat you wrong and then you're gone

Let him go
Walk out your door
And come to me
I'm gonna set you free

You hold on to love that's gone
Run a mile to see him smile
But you don't know he's door to door
Playin' you for the fool

Let him go
Walk out your door
And come to me
I'm gonna set you free

I'll set you free
I'll set you free
I'll set you, I'll set you free
I'll set you free
