Whoa

My gears they grind  
More each day  
And I feel like  
Theyre gonna grind away

Whoa

And the city blocks  
They drive me wild  
Theyre never ending  
Mile after mile

I just don't know what to do  
Im too afraid to love you

Heaven on Earth  
Is in her embrace  
A gentle touch  
And a smiling face

Im just one wishing I was a pair  
With someone oh somewhere

I just don't know what to do  
Im too afraid to love you

All those sleepless nights  
And all those wasted days  
I wish loneliness would leave me  
But I think it's here to stay  
What more can I do  
Cause Im ringin myself dry  
And I cant afford to lose  
One more teardrop from my eye

Whoa

Im too afraid  
Im too afraid  
I just don't know what to do

With myself  
Thinkin all the time

Don't know what to do

Don't know what to do

Drivin me outta my mind
