Today for show and tell
I'm so excited i might yell
Cant wait to show you its so cool
I went to grandmas yesterday
Worked in the garden the whole
She let me bring some veggies here to school

I got a carrot
I got a yam
I got a green bean fresh not from a can
Got a potato and as you can probly see
I also got a pea

I got a pea, I got a pea
Why is everyone laughing at me?
So if you find a little pea
On the Floor after i leave

I think it probably belongs to me.

I got a pumpkin
I got a Squash
I got some lettuce I still need to wash
I got an onion ans some broccoli
I also got a pea
I got a pea, I got a Pea
Why is everyone laughing at me
so if you find a little pea
on the floor after i leave
i think it probably belongs to me
yes if you find a little pea
on the floor after i leave
i think it probably belongs to me
