Of all I knew her held too few  
And why don't you stop me, if I try to stop you?

Old songs stay till the end  
Sad songs, remind me of friends  
And the way it is, I could leave it all  
And I ask myself, would you care at all?

When I drive alone at nights, I see the streetlights as  
fairgrounds  
And I tried a hundred times to see the road signs as  
Day-Glo

Old songs, stay till the end  
Sad songs, remind me of friends  
And the way it is, I could leave it all  
And I ask myself, would you care at all?

Old songs, stay till the end  
Sad songs, remind me of friends  
And the way it is, I could leave it all  
And I ask myself, would you care at all?
