{'Cause this music can put a human being in a trance  
like state  
And deprive it for the sneaking feeling of existing  
'Cause music is bigger than words and wider than  
pictures}

{If someone said that Mogwai are the stars, I would not  
object  
If the stars had the sound, it would sound like this  
The punishment for these solemn words can be hard  
Can blood boil like this at the sound of a noisy tape that  
I've heard}

{I know one thing, on Saturday, the sky will crumble  
together  
With a huge bang to fit into the cave}

[Inaudible]
