[Legacy]

You know I feel myself the way I'm just a little fellow
HEY LIL people playin games but still they still ain't
on my level

Ain't touchin my clothes, yall stuntin my growth
All these nosey little kids tryna Budden like Joe
But I put my effin guard up like this is effin Sparta
The kid is scary, Mr. Man he live with every martian
I live with every martian, you salute the master
My sh*t outta this world like I doodooed on Saturn
They like is you tatted?

I say naw but im packin

Put out a sex tape and we both be blasted, get it?

YALL hearin the kid

My iPod got The Bangz like it's wearin a wig

They be like Legacy he suck

I put my middle finger up like Legacy these nuts

Don't call me out, less I'm gonna get it poppin

If you tryna find my swag

You better go a build a rocket, boy

See I found my swag and put it in the bag

And the sh*t was so fresh like fresh out the BAGS

I still got the tags

Like if I had a receipt, I could take it right back

Wait, take it right back

See I found my swag and put it in the bag

And this sh*t is so fresh like fresh out the BAGS

See I found my swag, I found my swag

See I found my swag and this sh*t is so fresh

I found my swag

[Sabi]

Newsflash!

Another singer turned rapper, turned actor

Turn to channel 7, you might see me up in NASA

Blast off, I might mess around and be an astronaut

Anyway im really, really hot

All the men applause, I'm the real hot flasher

I need TO BAKE A TRACK just to catch em in the rapture

TMZ catch one of me on my Louie bag tip

I dont really boast but I am the one to brag quick

Tag it, hide and seek
I know where my swag is
Right behind my Vera Wangs and my Gucci fabrics
Classic, half-breed, Sabi is a bad mix
Combination of half black, half bad b*tch
I'm the freakin best, I'm the best he ever had
Boys are like a shoppin spree, I just put em in the bag
Or hand em off to Ella, let her pop a couple tags
Cause that boy is out of style, on to the next fad

See I found my swag and put it in the bag
And the sh*t was so fresh like fresh out the max
I still got the tags
Like if I had a receipt, I could take it right back
Wait, take it right back
See I found my swag and put it in the bag
And this sh*t is so fresh like fresh out the max
See I found my swag, I found my swag
See I found my swag and this sh*t is so fresh
I found my swag

[Ben J]
Let me set a trend up all boys is my plan
Yo, my steez is so cold, you should call me Iceman
No steez bout it cause I think everyone should cop this
Stop this dawg, you should shop at Hot Topic
Skinny jeans is too much, you can't handle
So you should flip-flop the subject like sandals
My fits so bad you snitched on me like Randall
You know (____?____)
I blow you out like candles
Imma go hard and bang on em like The Bangz
I'm a cold young figure, I should Dash up the Flamez
I'm a pimp with no cane, yall frosted flakes in the
winter
Pissin on you brodies styles like a bowl of kitty
litter
I'm a beast and you know it, young king of hip-hop
And time has changed since Flavor wore his wrist
watch
I'm on fire and I ain't even use my lighter
They say Ben J, you the sh*t like diamonds

See I found my swag and put it in the bag
And the sh*t was so fresh like fresh out the max
I still got the tags
Like if I had a receipt, I could take it right back
Wait, take it right back
See I found my swag and put it in the bag
And this sh*t is so fresh like fresh out the max
See I found my swag, I found my swag

See I found my swag and this sh*t is so fresh
I found my swag
