You'll know when this is done  
If you comprehend  
Calculated hate in subtlety  
So know that I'm the one  
Come to bring the end  
Poisoning your safety

Deep down inside you  
Too far to undo  
When all your confidence dies  
You feel it burning  
Twisting and turning  
I hope it eats you alive  
EAT YOU ALIVE

I've come to plant a seed  
Of gradual decay  
Swallowing your faith entirely  
I'm watching as it feeds  
On insecurity  
Leaving you with nothing

Deep down inside you  
Too far to undo  
When all your confidence dies  
You feel it burning  
Twisting and turning  
I hope it eats you alive  
EAT YOU ALIVE

EAT YOU ALIVE

SELF-SYCOPHANT  
GROTESQUE ARROGANCE  
BURSTING WITH SHALLOW CONCEIT  
PUSHING THIS THROUGH  
THE WEAKNESS IN YOU  
INFECTING YOU WITH THIS DISEASE

Deep down inside you  
Too far to undo  
When all your confidences dies  
You feel it burning  
Twisting and turning  
I hope it eats you alive

EAT YOU ALIVE

Twisting and turning  
I hope it eats you alive

EATS YOU ALIVE
