Whoohoooho

You sheltered me from harm,
Kept me warm, kept me warm
You gave my life to me
Set me free, set me free

The finest years i ever knew,
Were all the years i had with you

And i would give everything
i own
Give up my life, my heart,
my home
I would give everything
i own
just to have you once again.

You taught me how to love,
What it's of, what it's of,
You never said too much
But still you showed the way,
And i knw from watching you.
Nobody else could ever know,
The part of me that Can't let go.

And I would give anything i own,
give up my life, my heart, my home,
I would give evrything i own,
Just to have you once again,
Just to have you once again.

Is there someone you know,
You're loving them so,
But taking them all for granted,
You may lose them one day,
Someone takes 'em away,
And they don't hear the words you long to say

And i would give everything i own,
give up my life, my heart, my home
I would give everything i own
Just to have.
