I'll never be
A knight in armor
with a sword in hand
or a kamikaze fighter

Don't count on me
to storm the barricades
and take a stand
or hold my ground

You'll never see
any scars or wounds
I don't walk on coals
I won't walk on water

I'am no prince
I'am no saint
I'am not anyone's wildest dreams
but I will stand behind
and be someone to fall back on

some comedy
your bruised and beaten down
but I'm the one
whose looking for a favor

still honestly
you don't believe me
but the things I had
are the things you need

you look at me
like I don't make sense
like a waste of time
that serves no purpose

I'am no prince
I'am no saint
and if that's what you believe
you need, you're wrong
I don't need much
you need someone to fall back on

and I'll be that
I'll take your side
if I'm the only one
I'm used to that

you've been alone
I'd rather be....
the half of us needs a you
the best of me
and I will be....

I'll be your prince
I'll be your saint
I will go crashing through fences
in your name, I will, I swear
I'll be someone to fall back on

I'll be, the one who waits
and for as long as you let me
I will be
the one you need
I'll be someone to fall back on

some on to fall back on...
one to fall back on.
