"Ladies and Ge Ge Gentlemen  
Its so good to be back  
Thank you for your patience  
Lets go"

Excuse me everybody  
I've got something to say  
And when I'm through  
I promise you  
You'll be glad that you stayed

This is just that little something something  
I wrote especially for you  
And we've been on the ground for so long now  
Its time that we broke through

Before we even know  
We'll be over, said and done  
So let's all seize the moment  
Its about time that we begun
