Party up

Put your hands in the sky now  
Yeah, if you wanna get fived  
(party up)

We can do it all night now, Yeah  
Turn the beat up high  
(party up)

One time for the ladies, Yeah  
And the fella's c'mon, whoo  
(party up)

We're gonna go crazy, uh  
Till the lights come on

Tommorow i'ma be gone and,  
Think about last night when I strolled in  
How me and her were just zonin  
And we danced all night til the mornin'  
I was open cause she moved right  
& that DJ kept that groove right

Yeah, doin' that dance it look so tight  
Yeah, you in the dress you look so nice  
You so fly, higher  
(party up)

Party up

Put your hands in the sky now  
Yeah, if you wanna get fived  
(party up)

We can do it all night now, Yeah

Turn the beat up high  
(party up)

On time for the ladies, Yeah  
Ain't no break til mornin'  
(party up)

We're gonna go crazy, uh  
Till the lights come on

All night here we go now come on, And get on the floor  
now  
Nah, nah baby girl don't slow down,  
Cause me and you gonna have a show down  
Uh, little mama get low down,  
And I'ma rock it out like this (like this)  
We movin' and groovin' smooth'  
Can't lose with a flow that is so swiss  
(party up)

Uh, so maybe when you wake up  
And your mama ask what you did  
You can look her in the eye,  
Put your hands real high,  
And say mama I fibbed

And maybe we can get the DJ  
To play this track all night,  
And when I ask how you feel out there  
Everybody say ALRIGHT!

Party up

Put your hands in the sky now  
Yeah, if you wanna get fived  
(party up)

We can do it all night now, Yeah  
Turn the beat up high  
(party up)

On time for the ladies, Yeah  
Ain't no break til mornin'  
(party up)

We're gonna go crazy, uh  
Till the lights come on  
(party up)
