I know we fail, I know we fall,
Everyone has been there.
Our shattered hearts against the wall,
Everyone has felt this.
But do we stumble for a cause greater than our
bodies?
'Cause broken hearts can be restored today.
But I will not be afraid of tomorrow.

My God is bigger!
My God is bigger than!
My God is bigger!
My God is bigger than this world.
This world.

Oh mercy bring us to our knees,
We belong here for we must fight beyond our needs
today.
But I will not be afraid of tomorrow.
'Cause I know that He will be there when I will fall.

My God is bigger!
My God is bigger than!
My God is bigger!
My God is bigger than this world.
This world.

I will not be moved by motion.
And I will stand and show my devotion.

Cause I will not be moved by motion.
And I will stand and show my devotion.

My God is bigger...
My God is bigger than...

My God is bigger!
My God is bigger than!
My God is bigger!
My God is bigger than!
My God is bigger!
My God is bigger than this world!
