You never said You'd make it easier
i knew You'd never tell a lie
i feel like i am getting closer though
i kinda feel to say goodbye

i gotta leave behind what brought me here
so i can see You face to face
and all this chasing only gets me where
You in Your mercy do the rest

and i always knew You'd come for me
i've seen the One who longs to set us free
and where You go there i will be
the more i see, i see the Son

so then when everything is said and done
i knew i couldn't do a thing
i was waiting for the chance to come
when i could learn to say goodbye

and i always knew You'd come for me
i've seen the One who longs to set us free
and where You go there i will be
the more i see, i see the Son

goodbye
ooh, ooh
goodbye
ooh, ooh
goodbye
ooh, ooh
goodbye
ooh, ooh

and i
i always knew You'd come for me
(ooh)
i've seen the One who longs to set us free
and where You go there i will be
(ooh)
the more i see, i see the Son

goodbye, goodbye
goodbye, goodbye
goodbye, goodbye
goodbye, goodbye
goodbye, goodbye
goodbye
goodbye, goodbye
goodbye, goodbye
goodbye, goodbye
goodbye, goodbye
goodbye, goodbye
