"Hold On"

All is gonna be alright
All is gonna be okay
No matter what you're going through
Never give up on your faith
All is gonna be alright
All is gonna be okay
No matter what may come your way
You got to hold on
Weeping may last for a moment
Pain may come your way
But joy will come in the morning
When your sorrow is gone away
You've got a reason to be mourning
You've got a reason to cry
But soon and soon you'll be laughing
'Cos change is coming
Day by day agonizing
The day of joy is come
He's gonna turn your mourning into dancing
And fill your mouth with praise
Another day is coming
Hold on and be strong
You be still and know
There's a miracle on the way
