tell me it's beginning today  
i didnt think it would take too long  
picking up pieces but carried along  
well it's beginning today  
tell me it's beautiful day  
spending it here we could never be  
finding it easy to see past the glare  
i'm looking into the Son  
and if known You'd been here  
i would've left my cares

cause it's beautiful day  
yeah, yeah  
tell me that it's changing the way  
yeah  
i'm feeling  
tell me it's beginning today

well i never thought this could ever be  
blinded He's given me something to see  
well it's beginning today  
tell me it's a beautiful day  
maybe it's true You're the only one  
making us mirrors reflecting the Son  
well it's beginning today  
and if known You'd been here  
i would've left my cares

cause it's a beautiful day  
yeah, yeah  
tell me that it's changing the way  
yeah  
i'm feeling  
tell me it's beginning today

tell me it's beginning today  
yeah, yeah, hey

maybe it's true You're the only one  
making us mirrors reflecting the Son

well it's a beautiful day  
yeah, yeah  
tell me that it's changing the way  
yeah  
i'm feeling  
tell me it's beginning today  
yeah, yeah  
tell me that it's changing the way  
yeah  
i'm feeling  
tell me it's beginning today
