you couldn't tell but i know you  
cause i lived here everyday  
this is the truth cause there's someone else  
who's gonna win anyway  
you have the right to feel something  
i don't wanna get in your way  
but maybe it's time that you listen  
and see the broken display

cause i know there's someone  
who's been there before you  
and i know He won't let the sun go down on today

cause it's ok  
when it feels like  
everything ain't goin' your way  
i'll pray for you today  
that you'll see a brighter day

and i wanna tell you my story  
but i don't know what to say  
i wanna tell you He loves you  
cause He loved me anyway

and i know there's someone  
who's been there before you  
and i know He won't let the sun go down on today

cause it's ok  
when it feels like  
everything ain't goin' your way  
i'll pray for you today  
that you'll see a brighter day

and i wanna tell you  
that i still believe in you  
and i wanna tell you  
that i still believe in you  
and i wanna tell you  
that i still believe in you  
and i wanna tell you

that i still believe

cause it's ok  
when it feels like  
everything ain't goin' your way  
i'll pray for you today  
that you'll see  
that it's ok  
when it feels like  
everything ain't goin' your way  
i'll pray for you today  
that you'll see a brighter day
