When you get this letter  
I'll be on my way back home  
Life here on the planet  
Has slowly died away  
I'm coming home

And soon I'll be chasing  
Your voice when you say  
You love me the same  
And soon I'll be cradled  
In your arms of love  
I'm so sorry  
Amen

A thousand times you rang my phone  
Though I never answered  
I knew it was you alone

And soon I'll be chasing  
Your voice when you say  
You love me the same  
And soon I'll be cradled  
In your arms of love  
I'm so sorry  
Amen

I'm a sucker for easy life  
A sinful life is only a

And soon I'll be chasing  
Your voice when you say  
You love me the same  
And soon I'll be cradled in
