I
I Could Never Explain
Just Why
This Is Feeling The Way It Feels Tonight
But I'm Not Here To Question
I Just Here To Be Part Of It

You
Are The Reason I Stopped And Stared
Well It Was Something That Caught My Eye
I Feel Like Something's Gonna Happen
And It's Gonna Change My
Life

It's A Beautiful Way To Be
You've Got Every Part Of Me
And I'm Taking The Chance
That You Could Be The One

I
Feel Like I'm Crazy With Anticipation
Cause You've Taken All My Motivation
And You're Making Me Change That Way I Feel About
You

You
Are The Author Of My Meditation
Believing That As The Sun Can Get Up
In The Morning
You Can Change My Life

And Now
It's A Beautiful Way To Be
You've Got Every Part Of Me
And I'm Taking The Chance
That You Could Be The One

And It's A Beautiful Way To Be
You've Got Every Part Of Me
And I'm Taking The Chance
That You Could Be The One

And Now
It's A Beautiful Way To Be
You've Got Every Part Of Me
And I'm Taking The Chance
That You Could Be The One

It's A Beautiful Way To Be
You've Got Every Part Of Me
And I'm Taking The Chance
That You Could Be The One
