On the rap Boogie Knight's like pitbull

I bite on to the beat, I don't let go

By the way, RK has got pull

Go Boogie Knight, go Boogie Knight, go

[VERSE 1: Boogie Knight]

I'm like a pitbull attack, with my rap I will

Chop all dirty dogs up just for a thrill

All German Shepherds are in deep check

And the Doberman gang, they give me big respect

I don't pee on the corner, I'm gonna wanna be

The tip-top dog, the Mr. Pedigree

My name is Boogie Knight and I'm a cold crush dude

I put gunpowder inside my food

And now I got no mercy, no siree

I'm like a pitbull, not like Lassie

Now people criticize the way I'm livin

For your information, I want a blue ribbon

The RK prowls, proud like a trooper

We be coolin, you need a pooper scooper

All the fly girls wanna take us for a walk

They like our physique and the growl as we talk

Now dogs out there, listen up real clear

There is no dog we fear

I bite ya high on the thigh, I won't let go

I bark in the dark and at the disco

I dog on the rap and I make top dollar

My manager gave me gold for my collar

I'm on the radio, got girls, got pull

My name is Boogie Knight and I'm like a pitbull

Arrfff, arrfff

Arr-arr-arrfff

On the rap Romeo's like pitbull

I bite on to the beat, I don't let go

By the way, the RK has got pull

Go Romeo, go Romeo, go

[VERSE 2: Romeo JD]

It's an attack on your mind like a rappin canine
That'll tear you up and scare you up and dog your
behind
Like a muscle-bound rap hound stalkin in the (park)
We're Romeo Knight, our bite is worse than our (bark)
So aggressive and possessive when we're doggin the
beat
The competition just be wishin they could put us to
sleep
It's like a all-night fight that'll keep you aggravated
Crush you like a milkbone and leave you mutilated
We eat steaks, rock breaks, have fun
And you eat puppy chow wonderin how we're number
one
So Rover move over, the fight has just begun
So run Joe run, you're still on cycle one (sucker)
We're steppin on your paw, we'll pin you to the floor
Can't take it no more, so it's time to lock jaw
A fight to the death, so take your last breath
BK's for (Boogie Knight and JD for) Joe Death
Turnin you into a quitter, we're sure to leave you bitter
We're Romeo Knight and we're the pick of the litter
So Rome JD and he's (Boogie Knight)
So nothing's gonna save you from the RK bite
Huh!

Arrfff, arrfff
