First place on a classroom wall  
Every turn of the face can help to break the fall from a  
domestic  
disgrace  
Every rumor displaced is lost and found

A lack of discipline  
One hand to cut the other  
So unprofessional  
You're not a friend, you're just a lover  
Nothing exceptional  
This is correctional

Mirror on the wall (wall)  
Frame the picture (picture)  
Reflect this kiss to wish us all goodnight (goodnight)

First day in a victim's chair  
Every surface replace can help to keep you fair for a  
corrected gaze  
Every feature displayed will match your crowd

A loss of innocence  
One hand to wash the other  
Be a perfectionist  
You're nothing if you're just another

Something material  
This is impersonal

Mirror on the wall (wall)  
Frame the picture (picture)  
Reflect this kiss to wish us all goodnight (goodnight)

We're all dancing to the same sad song  
And we're not sleeping, but it won't take long

Illicit conviction  
Confessions incomplete  
Correction  
Submissive restriction  
Instructions will repeat

Direction

Mirror on the wall (wall)

Frame the picture (picture)

Reflect this kiss to wish us all goodnight (goodnight)
