

Birthday Massacre "To Die For"

Visit "[To Die For](#)" on MotoLyrics.com

Tighten your tie boy.
You're something to die for.
But don't hold your breath now.
You're just killing time.

Tonight you can dream boy.
Imagine a whisper.
If you can keep secrets, then I'll tell you mine.
Remember a promise you couldn't hold on to.

Though it brings me to tears now
I need you to know
Look in my eyes boy.
Nothing like yours now.
It seems that a lifetime is passing us by.

So open your eyes.

This is forever but it won't last long.
This is a memory that fades away in never ending.
In the death of all that's long been said and done
before,
We'll wish that we were something more.

Stop wasting time boy.
You're late all your life boy.
They won't have the patience for someone like you.
Your memory's fading.

I'll love you forever.
I'll try to remember.
I'll try to hold on.

You're standing alone boy.
Waiting for dreams boy.
Waiting for something to make them come true.

Don't ever leave boy.
I'd miss you too much boy.
I'll never forget you
As long as I'm here
