Beautiful beautiful brown eyes
Beautiful beautiful brown eyes
Beautiful beautiful brown eyes
I'll never love blue eyes again.

Molly my darling, I love you
Love you with all of my heart
Tomorrow we were to be married
But ramblin' has kept us apart.

Beautiful beautiful brown eyes
Beautiful beautiful brown eyes
Beautiful beautiful brown eyes
I'll never love blue eyes again.

Life's full of struggle and sorrow
Life's full of heartaches and woes
And I need the love of my woman
To guide me where ever I go.

Beautiful beautiful brown eyes
Beautiful beautiful brown eyes
Beautiful beautiful brown eyes
I'll never love blue eyes again.

I'll never love blue eyes again...
