Written by Don F. Harris and Dewey Terry

I'm leavin' it up to you
You decide what you're gonna do
Now, do you want my love?
Or are we through?

That's why, I'm leaving it up to you
You decide what you're gonna do
Now, do you want my love?
Or are we through?

--- Instrumental ---

You got my heart in your hands
I don't understand
What, have I done wrong?
I worship, the ground you walk on!

That's why, I'm leaving it up to you
You decide what you're gonna do
Now, do you want my love?
Or are we through?

That's why, I'm leaving it up to you
You decide what you're gonna do
Now, do you want my love?
Or are we through?...
