### **"The Nine Pound Hammer"**

Visit "[The Nine Pound Hammer](#)" on [MotoLyrics.com](http://MotoLyrics.com)

This nine pound hammer  
Is a little too heavy for my size  
Buddy for my size.

I'm going on the mountain  
Gonna see my baby  
And I ain't coming back  
No, I ain't coming back.

Chorus:  
Roll on buddy  
Don't you roll so slow  
How can I roll  
When the wheels won't go.

Roll on buddy  
Pull a load of coal  
How can I pull  
When the wheels won't roll.

This nine pound hammer  
Is a little too heavy for my size  
Buddy for my size.

I'm going on the mountain  
Gonna see my baby  
And I ain't coming back  
No, I ain't coming back.

Chorus:  
Roll on buddy  
Don't you roll so slow  
How can I roll  
When the wheels won't go.

Roll on buddy  
Pull a load of coal  
How can I pull  
When the wheels won't roll..

And when I'm long gone

You can make my tombstone  
Out of number nine coal  
Out of number nine coal.

Chorus:  
Roll on buddy  
Don't you roll so slow  
How can I roll  
When the wheels won't go.

Roll on buddy  
Pull a load of coal  
How can I pull  
When the wheels won't roll.

Now, when I'm long gone  
You can make my tombstone  
Out of number nine coal  
Out of number nine coal...
