You can't kiss me  
I'm not waiting  
I'm not taking one more step  
I hear your words  
I ain't believing  
your deceiving  
You can't kiss me  
Yeah

Yes you can dance  
Yes you can  
You know it  
Yes you got heat  
Turn the club on

Yes you like me  
Yes you do  
We know it now  
But it's taken so long

Boys getting scared of the girls  
It's very very cute  
But this girl likes you too  
So wake up, boy  
But you do not make your move  
I'm bored, I'm bored, I'm bored  
Too late, you lose

You can't kiss me  
I'm not waiting  
I'm not taking one more step  
i hear your words  
I ain't believing  
your decieving  
You can't kiss me  
Yeah

you can't.  
you can't.  
you can't kiss me, you can't kiss me.  
you can't  
you can't

you can't kiss me, you can't kiss me  
You can't

Then just when I walk out the door, he's callin'  
"Girl, what you leavin' me here for?"  
I ain't your girl and I'm tired of waiting now  
Here's my number, call.

Boys running after the girls  
It's very very cute  
But this girl likes you too  
Oh baby boy  
You just did not make your move  
I'm bored, I'm bored, I'm bored.  
Too late, you lose

You can't kiss me  
I'm not waiting  
I'm not taking one more step  
I hear your words  
I ain't believing  
Your decieving  
You can't kiss me  
Yeah

You can't
