i got a cool car, i call it cool whip//  
ya im a cool guy, im doing cool shit  
i got a cool car, i call it cool whip//

ya ima a cool guy (doing, doing) cool shit  
i got a cool car, i call it cool whip//  
i call it cool whip, i call it cool whip  
i got a cool car, i call it cool whip//

(1st verse)

i am the shit, but i am unflushable  
play him like a little kid and eat him like a lunchable//  
uncrushable, untouchable master of diseaster  
anybody want to race? i bet that i can go faster//  
i am a king, a ruler  
any form of torture, i bet that i can be cruler//  
i can be uber sick with it, so leget  
so damn nice, cant take your hands off of it//  
ice cold, i got frost bite on my soul  
must be a beast until i grow old and disenigrate  
everything within is great, imitate, shit is fake//  
bitch im a jerk, and i only do it up this way, ay!

(end of 1st verse)

(hook)
