We can go high, we can go low, beat it up fast, break it
down slow
whatever we do babe (ima make it cum) whatever we
do babe (before the night is done)

VERSE 1

Lets take a cool babe, get in the mood babe
here comes the water soon , a monsoon babe
im bout to get to work, i make the pussy squirt
you know i beat it up, then next i eat it up
lay on the couch ma, relax and let it happen, we bout to
get it crackin as soon as i taste yah
my appitite is dnager danger, proceed to eat lick the
clit and clean the plate up

[HOOK]

VERSE 2

Lady got my bedsets messed up but i dont give a care
whole sets weeted up while she pulling on my hair
she stares and gazzes in my eyes
now i aint gunnah lie the girl got me hypnotized
im bout to give it to her right, damn right tonight, and
when it comes to the morning wont be able to recite
and when it comes to sex, im in the limelight, all right
all night, she never putting up a fight
different positions, girl ill rearrange ya, she is an
animal and im the park ranger, im boout to tame her,
ya
and as we pass the time,I make her wet with these
rhymes
