All 4 one and one 4 all  
we stand united, we stand tall  
I Know if we are together  
It happens naturally

This is our life, and we're livin our dream  
Come join the ride, Be a part of our team

We're stronger than before  
Louder than before  
We are that we are and we are sure

All 4 one and one 4 all  
we stand united, we stand tall  
I Know if we are together  
It happens naturally

All 4 one and one 4 all  
We are a team, we climb the walls  
I Know together forever  
We live our Dream

Everything changend, it's a new experience  
Life rearranged, come and be one of our friends

We're faster than before  
Harder than before  
You just have to scream if you want more

All 4 one and one 4 all  
we stand united, we stand tall  
I Know if we are together  
It happens naturally

All 4 one and one 4 all  
We are a team, we climb the walls  
I Know together forever  
We live our Dream
