Everybody, everybody
Le'ts celebrate the day, and we party anyway
Everybody, everybody
Today we have some fun, and that day has just begun

Oh lalalalalala oh lala
Celebrate the day, party anyway (singin)
Oh lalalalalala oh lala
Celebrate the day, party anyway

Happy people dancing all around
Everybody's here to have some fun
Happy people love the summer sound
And we know the party's just begun

So wave yours hands to heaven and jam together
Cause we are that we are and we are young

Everybody, everybody
Le'ts celebrate the day, and we party anyway
Everybody, everybody
Today we have some fun, and that day has just begun

Oh lalalalalala oh lala
Celebrate the day, party anyway (singin)
Oh lalalalalala oh lala
Celebrate the day, party anyway

Move your body, just enjoy your life
Can you feel the rhythm of the beat?
Move your body, this is the right time
Just stand up and simply move your feet

So wave yours hands to heaven and jam together
Cause we are that we are and we are young

Everybody, everybody
Le'ts celebrate the day, and we party anyway
Everybody, everybody
Today we have some fun, and that day has just begun

Oh lalalalalala oh lala
Celebrate the day, party anyway (singin)
Oh lalalalalala oh lala
Celebrate the day, party anyway
