[Strophe 1]

There's a Place right in your heart  
It's Brighter than outside  
If You try a brandnew start  
There's no need to cry

There are ways to reach that place  
Eye to eye and face to face  
Try it cause it's time to heal  
The World

[Refrain]

Cause Hand in Hand there is a new chance  
And hand in hand in peace and harmony  
In the end we owe it to the future  
Cause we believe in peace and harmony

[Strophe 2]

Make this world a better place  
It's time to make a Change  
You and the entire race  
Simply Rearrange

Make this planet shine in grace  
Do it for a joyful face  
God created heaven here on earth

[Refrain]

Cause Hand in Hand there is a new chance  
And hand in hand in peace and harmony  
In the end we owe it to the future  
Cause we believe in peace and harmony

[Strophe 3]

Turn Around and say goodbye  
To all these dreads and fears  
Let our spirits never dies  
And time will dry our teas

[Refrain]

Cause Hand in Hand there is a new chance

And hand in hand in peace and harmony  
In the end we owe it to the future  
Cause we believe in peace and harmony

Cause Hand in Hand there is a new chance  
And hand in hand in peace and harmony  
In the end we owe it to the future  
Cause we believe in peace and harmony

...Cause we believe in peace and harmony
