When he drops you off, I will not say  
Who was that who so quickly drove away  
The things you've done  
And the places you've been  
When I open the door for you  
I will not let them in

As long as you come back to me  
I will never ask  
For you I will be  
The man in teh iron mask

You said you loved me and it broke my heart  
I was always a prisoner right from the start  
The nights you spend without me,  
This house is like a dungeon  
And you only return to torture me more

You must have your reasons  
I will not ask  
For you I will be  
The man in the iron mask
