lights out!
i can see the evil in your eyes
fuck you!
i can even see it in your smile
fuck you!
all i kno is tonight is the night
i gotta play this by the book
so take a stab at my broken heart
fuck yeah!
you can even have the first damn shot
fuck yeah!
cuz you kno i shoot to kill
i gotta get this off my chest
round and round and round we go
if its perfect then its just fine by me
you picked the wrong war
you picked the wrong WAR!

RIOT. RIOT.
i'm a riot? you're a fucking riot
i'm a riot? you're a riot!
X2

(bad-ass guitar solo)

all X2

yeah!
i'm just a good guy in a bad, bad town
i'm just a bad boy with a good reputation
X2
oh oh oh oh oohhhh!
you gotta reap what you sew
wrong war!
you gotta reap what you sew
wrong war!
you gotta reap what you sew
wrong war!
you gotta reap what you sew
