It's late in the evening, she's wondering clothes to wear.

She puts on her Make-up and brushes her long brown hair.

And then she asks me: "do I look alright?"

And I say "Yes, you look wonderfull tonight!!!"

Ref.: You look wonderfull, because I see the lovelight in your eyes.

and the wonder of it all is that you just relize how much I love you

We go to a party and every one turns to see this beautyfull lady, who's walking around with me.

And then she asks me: "Do you feel alright?",

and I say: "Yes, I feel wonderfull tonight!!!"

We turn to go home now and I've got an aching head, so I gave her the car keys, and she helps me to the bed.

And then I tell her as I turn out the light

I say: "My darling, you are wonderfull tonight!"

Oh my darling, you were wonderfull tonight!
