You're like the sun in California  
Where there's no you, there's no euphoria  
You're like the sun in California  
Where there's no you, there's no euphoria

Na na na na na  
No I don't want to party without you  
Na na na na na  
No I don't want to party without you

[beat break]

Na na na na na  
No I don't want to party without you  
Na na na na na  
No I don't want to party without you

You're like the sun in California  
Where there's no you, there's no euphoria  
You're like the sun in California  
Where there's no you, there's no euphoria

Na na na na na  
No I don't want to party without you  
Na na na na na  
No I don't want to party without you  
Without you  
Without you  
Without you

Na na na na na  
No I don't want to party without you,  
No I don't want to  
Na na na na na  
No I don't want to party without you  
No I don't want to  
No I don't want to  
No I don't want to  
No I don't want to  
No I don't want to

You're like the sun in California

Where there's no you, there's no euphoria  
You're like the sun in California  
Where there's no you, there's no euphoria
