Give me your lovin ohh
Give me your lovin
Give me your lovin ohh
Give me your lovin
Give me all your lovin lovin lovin
Give me all your lovin lovin lovin

Every time I talk about love (Oh Baby)
People tell me I've changed
When I talk about us (Oh Baby)
There's a smile on my face
Have I ever told you, ooh
How much I love you
How much I care
What wouldn't any man do (Oh Baby)
To have you coming through his way
A girl like you (uuh)
Should be given
What she deserves
We can choose
If you're my capital world

Give me all your lovin lovin lovin
Girl your love is one of the kind
With all your lovin lovin lovin
There's no war that I wouldn't fight
You got me, got me coming back
(ohheeh)
Like a like a boomerang
(ohheeh)
Give me all your lovin lovin lovin
Girl you love is one of the kind

Give me your lovin ohh
Give me your lovin
Give me your lovin ohh
Give me your lovin

Every day I wanna wake up (oh Baby)
Wath your stroke never change
Like a face with no make up (oh Baby)
A super natural thing

If I'd never known you (oh Baby)
I'd stay believe it's all a game
When I were about to give up (oh Baby)
Cuz my baby without you equals pain
A girl like you (uuh)
Should be given
What she deserves
We can choose
If you're my capital world

Give me all your lovin lovin lovin
Girl you love is one of the kind

You know the lovin lovin lovin
There's no war that i wouldn't fight
You got me, got me coming back
(ohheeh)
Like a, like a boomerang
(ohheeh)
Give me all your lovin lovin lovin
Girl you love is one of the kind

Give me your lovin ohh
Give me your lovin
Give me your lovin ohh
Give me your lovin

Loking at, loking at
One of the kind
Picking back, picking back
To many times
Bring me back, bring me back
My appetite
(Bring me back - my -y appetite)

Loking at loking at
One of the kind
Picking back, picking back
To many times
Bring me, back bring me back
My appetite (oh Baby)

A girl like you (uuh)
Should be given
What she deserves
We can choose
If you're my capital world

Give me all your lovin lovin lovin
Girl your love is one of the kind
With all your lovin lovin lovin

There's no war that i wouldn't fight
You got me got me coming back
(ohheeh)
Like a like a boomerang
(ohheeh)
Give me all your lovin lovin lovin
Girl you love is one of the kind

Give me your lovin ohh
Give me your lovin
Give me your lovin ohh
Give me your lovin

Give me your lovin ohh
Give me your lovin
Give me your lovin ohh
Give me your lovin
