Give me an explanation coz i simply dont get wots
going on ,
Lately we've been fightin like its killin me , why cant we
get along ,

I used to be catchin kisses , nw we're throwin glasses ,
losin our chances ,
U've been wearin other t-shirts , memories r worthless ,
when love turns into action ,

[Chorus]

Reportin reportin , reportin from the war zone ,
I put a white flag above my door ,
Reportin reportin , reportin from the war zone ,
Baby i cant afford to let u go away ,

Slowly , this situation is , killin me , feels like i am on
ma knees ,
Maybe , we shud give up but somethings tellin me ,
never declare defeated ,

I used to be catchin kisses , nw we're throwin glasses ,
losin our chances ,
U've been wearin other t-shirts , memories r worthless ,
when love turns into action ,

[Chorus]

Reportin reportin , reportin from the war zone ,
I put a white flag above my door ,
Reportin reportin , reportin from the war zone ,

Baby i cant afford to let u go away ,
Reportin reportin , reportin from the war zone ,
I put a white flag above my door ,
Reportin reportin , reportin from the war zone ,
Baby i cant afford to let u go away ,

I used to be catchin kisses , nw we're throwin glasses ,
losin our chances ,
U've been wearin other t-shirts , memories r worthless ,
when love turns into action ,

Reportin reportin , reportin from the war zone ,
I put a white flag above my door ,
Reportin reportin , reportin from the war zone ,
Baby i cant afford to let u go away ,
Reportin reportin , reportin from the war zone ,
I put a white flag above my door ,
Reportin reportin , reportin from the war zone ,
Baby i cant afford to let u go away ,

Give me an explanation coz i simply dont get wots goin
