Purer than the snow on a winter's morn,
Purer than a babe who's so newly born
Purer still I've found is the One,
The Almighty God

Wiser than the sage and his spoken word,
Wiser than the men bringing gold and myrrh
Wiser still I've found is the One,
The Almighty God

Almighty God,
The heavens and the earth,
Bow down before Your worth
And adore You

Almighty God,
Creation offers praise,
As we behold Your face
Lord and God

Closer than the dreams that I long to share,
Closer than the Spring's fragrance in the air;
Closer still I've found, is the One,
the Almighty God
