Caught Red Handed

I'm not afraid but I am ashamed  
I'm not to blame but I play the game  
I'm not the same but I'll keep my name  
I'm not going to use you for my own gain

When things were good I felt invisible  
But most of the time I felt resentful  
There wasn't anything we couldn't do together  
The hate inside me makes me feel better

Give up the hate we know where you keep it  
I know it's there even though I can't see it

I'm not afraid but I am ashamed  
I'm not to blame but I play the game  
I'm not the same but I'll keep my name  
I'm not going to use you for my own gain

It's all my fault and I admit it  
If guilt had a life then I live it  
But I can't compare your hand in the mess  
I can hate you some more but I can't love you any less

I'm not afraid but I am ashamed  
I'm not to blame but I play the game  
I'm not the same but I'll keep my name  
I'm not going to use you for my own gain
