save  
save me from this  
wandered around the town  
all the thousand things  
i might miss

and you  
think we'll suffer much  
think we'll close our eyes  
just to see the light  
pass us by

with tomorrow coming  
hope that i don't  
let you down again  
said im so glad to be here  
does it mean a thing  
if only i could breathe what you breathe  
if only i could see what you see

sit  
we'll take our time  
watching the flowers grow  
all the friends we've known say  
goodbye

and you  
did you suffer much  
did you close your eyes  
just to see the night  
rush on by

gathered all around you  
hope that we don't  
let you down again  
i said im so glad to be here  
does it mean a thing  
if only i could breathe what you breathe  
if only i could see what you see

said im so glad to be here

does it mean a thing (2x)

yeah I'm so glad to be here  
does it mean anything

if only i could breathe what you breathe  
if only i could see what you see  
if only i could just believe a thing
