Save
Save me from this
Wandered around the town
All the thousand things
I might miss

And you
Think well suffer much
Think well close our eyes
Just to see the light
Pass us by

With tomorrow coming
Hope that I don't
Let you down again
Said I'm so glad to be here
Does it mean a thing
If only I could breathe
What you breathe
If only I could see what you see

Sit
Well take our time
Watching the flowers grow
All friends weve known say
Goodbye

And you
Did you suffer much
Did you close your eyes
Just to see the night
Rush on by
Gathered all around you

Hope that were don't
Let you down again
I said I'm so glad to be here
Does it mean a thing
If only I could breathe
What you breathe
If only I could see what you see

Said I'm so glad to be here
Does it mean a thing

If only I could breathe
What you breathe
If only I could see what you see
If only I could just believe a thing
