Bound by the time on the clock  
Bittersweet wondering the quiet transfusion  
Hold tight, nothing is complicated  
Hold tight, everything's fine

Confidence fell through the hole in your pocket  
The simple's illogical so it be logic  
I'm caught in the diaries with all your complaining  
The curious scribbles of one who has everything

Leave me unholy and dirty and beautiful be  
Unholy and dirty and beautiful

Cherish the lies that you bought  
Charming delusions gone crack in the fire  
I know we might be mediocre  
I know nothing's on fire

Confidence fell through the hole in your pocket  
The simple's illogical so it be logic  
I'm caught in the diaries with all your complaining  
The curious scribbles of one who has everything

Leave me unholy and dirty and beautiful be  
Unholy and dirty and beautiful me  
Unholy and dirty and beautiful  
Beautiful, beautiful, unholy and dirty

You could never try, average to sustain  
You could never see, you could never stay  
Everything's to the feel as the years go by  
Listen to the tide, you can make a stride

Never come again  
Never come again  
Never come again  
Never come again

Never come again  
Never come again  
Never come again  
Never come again

Leave me unholy and dirty and beautiful be  
Unholy and dirty and beautiful me  
Unholy and dirty and beautiful

Never come again  
Never come again  
Never come again  
Never come again
