Can You Feel It

Can you feel the base
its pumping in your brain
This time its for real
Not only just a game
Tell me baby when you wanna come over to my place
From this day on it all gonna change
That's right its all gonna change

Chorus:

Can you feel it, can you feel it
Can you feel it, can you feel it
Baby you cant stop - pop
If only you tell me so but
I know you want it
Couse you wont tell me no

My heart is beating fast
You really blow my mind
You got me on my knees
I cant believe my eyes
Tell me baby when you wanna come over to my place
From this day on tis all gonna change
Yeah just take it easy
