Shame

Sometimes I get lonely
Â'nd sometimes she gets sad
but now she paints her nails cause IÂ'm not around
but theyÂ're the best we ever had
like we do baby
Like we do baby
So if I break down its because of you
Â'nd when you shake me its because I do
itÂ's a terminal case of L. O. V. E.
everything is coming down on me
like we do yeah
like we do

Chorus:

ItÂ's a shame shame shame
ItÂ's a shame shame shame
Why we always gotta hurt each other
why we always gotta put each other down

some folks think that getting
by ainÂ't being lonely well
I aint moving that way
I see too many fools on the road going down
As theyÂ're climing they are slipping away
Like we do baby yeah
Like we do baby
Now the way that you want it
The way that you got it
The way that you take it
The way that you profit

Chorus

You hurting me baby yeah
Why you wanna do that to me
DonÂ't you know that you hurting me
You hurting me baby yeah
Hurt me baby
Hurt me baby
