Wish that I could make you laugh  
And make you feel whole again  
I cannot lay here on this line

Wish I could see you now  
Standing there without a care  
I guess, you'd make me smile

It's hard to miss you  
It's hard to miss you  
It's hard to miss you  
It's hard to miss you

It's hard to miss you  
It's hard to miss you  
It's hard

They say the world's a smaller place  
But they don't say it to your face  
It's a pretty stupid thing to say

I don't feel it in my space  
I don't feel you in my space  
I just want to see you in my space

It's hard to miss you  
It's hard to miss you  
It's hard to miss you  
It's hard to miss you

It's hard to miss you  
Hard to miss you  
It's hard to miss you
