There's a place I know
Where you can't look down
Yeah... it makes you feel alive
It makes you feel alive

This road I'm travelling
It don't do me no good
Cept to make me feel alone
Yeah to make me feel alone

I try so hard
Yeah you know I try so hard
Just to make you feel ok
Yeah to make you feel ok

But you gotta roll
Yeah you gotta roll

I take my chances
Yeah I take them every day
But it don't do no good
No it don't do no good

And I feel like rolling
Moving on down the line
I got to see what's out there
I got to take what's mine

BUT you gotta roll away
Yeah you gotta roll away

You get what you give
Yeah you give what you get
And it don't make no sense
No it don't make no sense

And I feel like rolling
Moving on down the line
I got to see what's out there
I got to see what's mine
