Hey homes
It's Psyklone, vato
Ha-ha
Psyko Funk in the house

[VERSE 1: Ganxsta R?dd]
Well, I remember in September you was walkin around
the club
Cause the music that deejay played had you standin
lookin dumb
I was worried, had to hurry, cause the crowd might go
home
So I asked the deejay from the club, "Hm-m, can I gets
the microphone?"
He looked up at me all surprised, said, "You ain't even
black"
So I palmed his face like a basketball and I threw his
ass back
I said I'm not a Doobie Brother, but we do be hip
And there's one thing I dislike when people at a party
sit
Now I didn't come here to be judged by the color of my
skin
Boo-Yaa T.R.I.B.E. just went Psyko cause they wouldn't
let us in
So we bailed on stage and OMB had turned that bass
up loud
But before the one-time could pick us up we had
already moved the crowd
With psyko funk

(Wop-bop-a-loo-bop)
Psyko Funk
(Ba-ba-ba-ba-ba-ba..)
(Wop-bop-a-loo-bop-ba-lop-bam-boom)
Psyko Funk
(Wop-bop-a-loo-bop)
Psyko Funk, Funk, Funk
(Wop-bop-a-loo-bop-ba-lop-bam-boom)

[VERSE 2: Ganxsta R?dd]
Now we're all in jail for the crime that we all have

committed

And the deejay called the one-time, but upfront he
couldn't admit it

Now the warden plays our father and we're forced to
obey the law

And every morning we wake up with the Psyko Funk roll
call

Psyko-alpha-disco-beta-fio-aqua-doo-doo

Fio-aqua-doo-doo, fio-aqua-doo-doo, fio-aqua-doo-
doo

Psyko 1, Psyko 2, Psyko 3, Psyko 4

Psyko 5 provides the bass, so it's time he's servin more
Servin time had made us Psyko but the Funk was
always there

And if the deejay had some rhythm, Boo-Yaa T.R.I.B.E.
wouldn't be in here

But it's times that teach us lessons and there's lessons
to be taught

And if it's you who's been in Psyko then it's you who will
get caught

With Psyko Funk

(Wop-bop-a-loo-bop)

Psyko Funk

(Ba-ba-ba-ba-ba-ba..)

(Wop-bop-a-loo-bop-ba-lop-bam-boom)

Psyko Funk

(Wop-bop-a-loo-bop)

Psyko Funk, Funk, Funk

(Wop-bop-a-loo-bop-ba-lop-bam-boom)

(Some of my stories tonight you've probably heard em
before

I'ma do a couple of things just to like warm things
around a little bit

To relax y'all sip a beer)

[VERSE 3: Ganxsta R?dd]

Now the judge has just released us cause we've been
inside so long

And the last words he had said: never to sing that
Psyko song

So out the courtroom we all go with a slight grin on our
face

Cause the judge forgot about Psyko 5, OMB, he
provides the BASS

So we asked our booking agent for a stage that we
could raid

And he gave us to a crowd of punk rockers, another
crime we must engage

Cause Psyko Funk is sure enough funky, had the punks

rockin like monkeys
And if your head ain't right and you snap a lot, then it's
you who's a Psyko junkie
Psyko Funk

(Wop-bop-a-loo-bop)
Psyko Funk
(Wop-bop-a-loo-bop-ba-lop-bam-boom)
Psyko Funk
(Wop-bop-a-loo-bop)
Psyko Funk, Funk, Funk
(Wop-bop-a-loo-bop-ba-lop-bam-boom)
[DJ Tony G cutting up]
(Wop-bop-a-loo-bop-ba-lop-bam-boom)
