She was more like a beauty queen from a movie scene  
I said don't mind, but what do you mean I am the one  
Who will dance on the floor in the round  
She said I am the one who will dance on the floor in the  
round

She told me her name was Billie Jean as she caused the  
scene  
Then every head turned with eyes that dreamed of  
beeing the one  
Who will dance on the floor in the round

People always told me be careful what you do  
don't come around breaking young girls' hearts  
And mother always told me be careful who you love  
And be careful of what you do 'cause the lie becomes  
the truth  
(Hey Hey Hey)

Billie Jean is not my lover  
She's just a girl who claims that I am the one  
But the kid is not my son  
She says I am the one, but the kid is not my son

For fourty days and for fourty nights  
The law was on her side  
But who can stand when she's in demand  
Her schemes and plans  
'Cause we danced on the floor in the round  
So take my strong advice, just remember to always  
think twice  
(Do think twice)

She told my baby to dance to three then she looked at  
me,  
Then showed a photo of a baby cryin', eyes was like  
mine  
So we dance on the floor in the round, baby

People always told me be careful what you do  
don't go around breaking young girls' hearts

She came and stood right by me then the smell of  
her sweet perfume this happened much too soon  
She called me in her room  
(Hey Hey Hey)

Billie Jean is not my lover  
She's just a girl who claims that I am the one  
But the kid is not my son  
Billie Jean is not my lover  
She's just a girl who claims that I am the one  
But the kid is not my son  
She says I am the one, but the kid is not my son  
(Instrumental)

She says I am the one, but the kid is not my son

Billie Jean is not my lover
