I don4t know what I should do  
I don4t know how to get through  
I4m so sad and lonely  
so sad and lonely  
my baby4s gone away  
I don4t know what I should say  
I don4t know how to find a way

I4m so sad and lonely  
so sad and lonely  
my baby4s gone away  
(Instrumental)

I don4t know how to be strong  
I don4t know how to get along  
I4m so sad and lonely  
so sad and lonely  
my baby4s gone away  
I4m so sad and lonely  
so sad and lonely  
ma baby4s gone away  
that4s what I say  
my baby4s gone away
