[verse 1]

you say hello. inside i'm screaming i love you.  
you say goodnight. in my mind i'm sleeping next to  
you.  
you drive away from my car crash of a heart.  
and I dont know..

[chours]

but you gave me the best mix tape I have,  
and even all the bad songs ain't so bad.  
I just wish there was so much more than that  
about me and you.

[verse 2]

you talk to him, and it burns me like the sun.  
you talk to her, you say that you feel like he's the one.  
I talk to me, but you cant hear the pain I feel.  
you dont know..

[chours]

cause you gave me the best mix tape I have.  
and even all the sad songs ain't so sad.  
I only wish that there was more than that  
about me and you. about me and you.

[verse 3]

don't turn around and say bye again  
yeah, it crushes my head when you call me your friend,  
and I'm not the same person from back in the day,  
the back of the class that you thought was gay.  
no, I cant find the words cause I lost them 'in minutes' -  
?  
they fell out my mouth. yeah, it's love,  
and I'm in it. so give me your lips, and just let me kiss  
them.  
and lets get messed up and listen to probably

[chours]

the best mix tape I have.  
cause even all the bad songs ain't so bad.  
I just wish there was so much more than that

about me and you. about me and you. about me and  
you.  
about me and you. about me and you. about me and  
you.
